Re: SRMBC Updated Coronavirus Health & Safety Procedures (1/2/2022)

The leadership of Solid Rock Missionary Baptist Church (SRMBC) has been monitoring the rapidly changing events regarding the spread of the coronavirus in our area. In an effort to inform SRMBC members and friends of our continued efforts to ensure the health and safety of our congregation, we have made the following updates to our Health & Safety procedures:

UPGRADED PROTOCOL & MEASURES

As of **1/2/2022** we will be resuming In-Person Services (Sunday Worship & Mid – Week Bible Study) at SRMBC. In accordance with the COPA/DOH guidelines SRMBC will be implementing the following protocols:

- **Wearing masks are required for members and visitors regardless of vaccination status during worship.**
- **Social distancing will be encouraged during the worship service.**
- Those members and visitors that are sick or in high – risk factors for COVID – 19 are encouraged to view the services online via Facebook Live (<https://www.facebook.com/pg/solidrock717>).
- Bible Study and Sunday School Classes will continue to be offered online via Facebook Live until further notice.
- In lieu of In-person meetings Ministry Leaders are encouraged to use the Church Conference Call No. (Please coordinate with the Church Secretary, Deaconess Virginia Mickens to schedule dates and times.) or the free ZOOM video conferencing platform (<https://zoom.us>).

HOW CAN YOU HELP?

- We ask that you continue to take the necessary health precautions and contact your doctor for advisement.
- We ask that you thoroughly wash your hands for twenty seconds using disinfectant soap in all settings.
- We ask that you limit your coughs to within the elbow and sleeve space of the arm to reduce the spread of potential bacteria in all settings.
- We ask that you visit the website of The PA Dept of Health for further prevention measures you can take to protect you and your family: <https://www.health.pa.gov/topics/disease/Pages/Coronavirus.aspx>.
